

## Ciencias Naturales 3° Básico 2020.

### Tarea

1.- Observa atentamente las imágenes y luego indica pintando el círculo con un lápiz de color verde a cuál pertenece la sombra de niña.

The illustration shows a cartoon girl with blonde hair, an orange shirt, and a blue skirt. To her right is a large grey question mark. Below the girl is a small box with a green checkmark and a pencil, containing the word 'ANSWER' and two stick figures. To the right of the girl are six black silhouettes of people, each with a small white circle below it. The silhouettes are arranged in two columns of three. The top row shows a boy and a girl. The middle row shows a girl with curly hair and a girl with a ponytail. The bottom row shows a boy and a girl. The background is white with a red banner at the top containing icons of a boy and girl, and a question mark with a pencil.

2.- Explica, mediante un dibujo, cómo se forma las sombras.

A large empty rectangular box with a black border, intended for the student to draw and explain how shadows are formed.
