

Tarea 5th grade – week 4

My name is _____

We know that isolation and quarantine is a new experience for us, for that reason I urge you to write how you feel, feel free to write in Spanish, write comfortably and write whatever you think is important. At the end of the week you can read your logs and reflect on everything. YOU ARE NOT OBLIGATED TO SHOW YOUR LOG TO ME OR ANYONE, do it only if you feel comfortable, as always. If you need help, or want to talk, my mail is available.
