

- Good morning/afternoon/evening, my dear beasts. Con esta guía damos inicio a nuestra primera unidad, en la que aprenderemos vocabulario relacionado medios de comunicación y tecnología. Además, aprenderemos estructuras importantes que nos servirán para expresar oraciones simples sobre lo que hay a nuestro alrededor.
-
- Además, quiero recordarles algunos aspectos muy importantes para aprender un nuevo idioma:
- 1.- Mientras más inglés escuchen y mientras mas inglés lean, más inglés van a aprender.
- 2.- Para poder aprender un idioma, se tienen que superar pequeños obstáculos que harán que el idioma sea significativo para ustedes.
- 3.- El aprendizaje de un idioma tiene que ser basado en la comunicación. Manejar bien un idioma no se basa solamente en aprender de memoria.
-
- Es por estos puntos que mi material es completamente en inglés, incluyendo las instrucciones, las cuales serán un pequeño obstáculo que ustedes mismos tendrán que superar con los métodos que tengan a mano. Si hay algo que no entienden, usen su diccionario, pregúntenle a algún mayor, a sus compañeros, busquen en internet o usen un traductor. Cualquiera sea el esfuerzo que hagan, busquen sus propias respuestas y les aseguro que será mucho más simple el lograr manejar el idioma más adelante. No le tengan miedo a un nuevo idioma y recuerden que siempre está bien no entender, porque siempre es un problema que pueden solucionar :D
