Pay attention to the past expressions

Look for the words that indicates past form and underline

Yesterday was a great day. I was on a trip with my family. We were at the beach all day. My parents were happy because they weren't at work. My sister was in the sea all morning. The water was cold but I wasn't in it for long. It was hot and my brother wasn't very smart – he didn't use sunscreen so he got burnt!

We can use the **past simple** of the verb 'to be' to talk about situations and states in the past.
